

Sermon Title: Go To Grow pt. 2

Date: Sunday, February 4, 2018
 Speaker: Minister Chris

Background Scripture: Exodus 14:21-22 Joshua 3:15-17

Jumpstart and Review:

*Growth – the act or process, or manner of growing; development; gradual increase.

*Spiritual growth requires your active participation.

*Growth had taken place with the Israelites between Exodus and Joshua.

- They grew from running from a fight, to pursuing the fight.
- They grew from focusing behind them to focusing on what was in front of them.

*Simple Truth: if change has not taken place, then growth has not taken place.

- We have not grown if we have not changed.

Point 1: God has brought you this far to take you further.

- Because you are still on this earth is a testament that God has more for you to do.

Point 2: Sometimes it will feel like God is not with you

- God is omniscient and omnipresent. If He is everywhere at the same time; it is impossible for Him to leave you.

Point 3: Don't expect God to do a new thing the old way.

- Just because God delivered that way last time, doesn't mean He will deliver that way again this time.

QFC (Questions For Consideration)

1. How do you know that growth has taken place in your life? Is it a feeling?

2. In what area do you believe that you have grown the most? In what area do you desire to grow more in?
